RAVENOL Marine Cleaner Eco

Kategorie: Car care products

Artikelnummer: 1360074

0.5L | 1360074-500

RAVENOL Marine Cleaner Eco has been specially developed for cleaning and degreasing ship components, SUP and other areas of application in the sensitive marine context with its special material mix that comes with special demands. It is also suitable for heavily soiled machine parts and oily or resinous surfaces.

RAVENOL Marine Cleaner Eco removes dirt, oil, grease, soot, nicotine, algae, bird droppings and resin from the respective application surfaces and can be used economically thanks to its good efficiency.

Application instructions

RAVENOL Marine Cleaner Eco is sprayed onto the surface and left to react for 2-5 minutes. Our RAVENOL Mikrofasertücher Autopflegeset (microfiber cloth car care set) can be used for cleaning. Afterwards, rinse thoroughly with water. The application solution is suitable for all moisture-resistant surfaces.

RAVENOL Marine Cleaner Eco does not attack surfaces or sealants. Nevertheless, a compatibility test should be carried out on an appropriate area of the respective material.

Note:

RAVENOL Marine Cleaner Eco is stored in closed containers in a dry and cool place. Protect from direct sunlight, heat and frost. Keep out of the reach of children. Wash hands thoroughly after use.

Characteristics

- developed for the material mix in the marine context
- removes a wide range of soiling
- harmless to surfaces and sealants
- degreases and cleans
